CIVIL / PEB / NETWORK INFRASTRUCTURE

You imagine. We build.

Sankalp to Build. Commitment to Deliver.

Civil construction and coordinated turnkey delivery.

ShriPunya

संकल्प से साकार।

OUR APPROACH

Real work. Clear responsibility.

Site manpower, supervision and material coordination for defined civil packages. From the first site review to the final finish, one connected approach to execution.

ShriPunya

संकल्प से साकार।

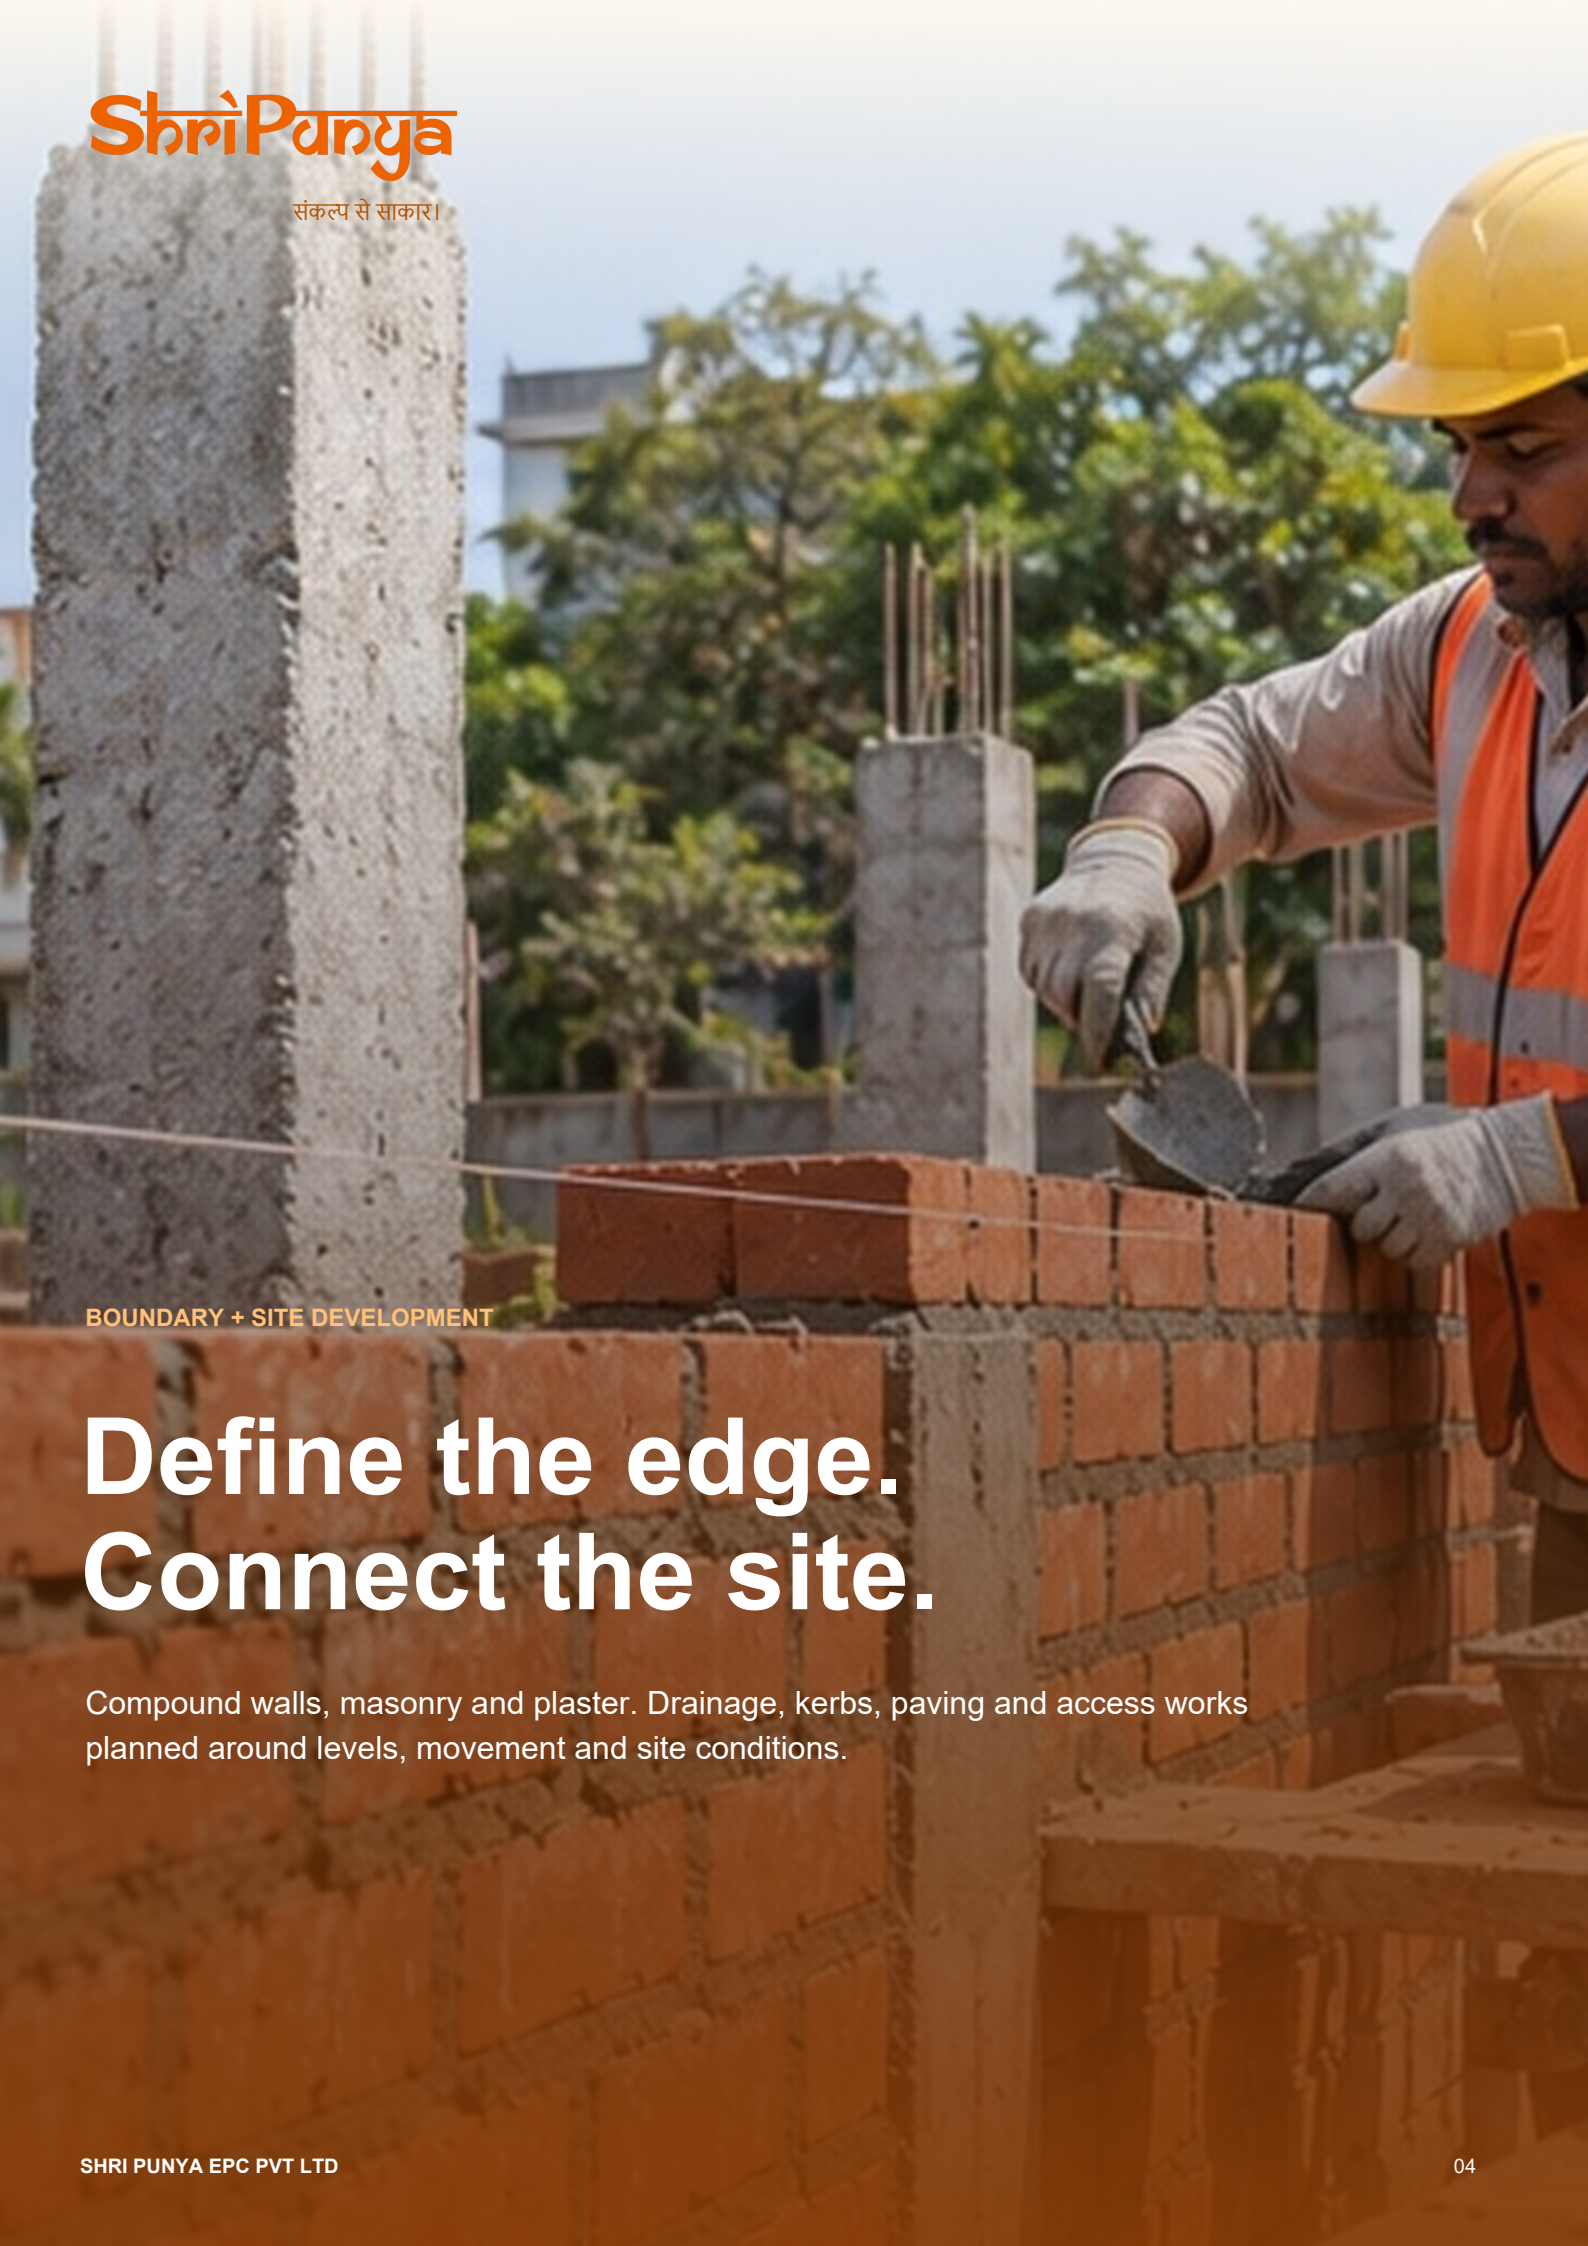

EARTHWORK + CONCRETE

Strength starts below the surface.

Excavation and backfilling. Reinforcement and formwork. Foundations, plinths and RCC packages coordinated to approved drawings.

ShriPunya

संकल्प से साकार।

BOUNDARY + SITE DEVELOPMENT

Define the edge. Connect the site.

Compound walls, masonry and plaster. Drainage, kerbs, paving and access works planned around levels, movement and site conditions.

ShriPunya

संकल्प से साकार।

HOMES + WORKING SPACES

From a home to a working facility.

Homes and extensions. Offices and site buildings. Guard rooms and toilet blocks. Civil work and finishes brought together as a usable space.

ShriPunya

संकल्प से साकार।

FLOORS + FINISHES

The details people use.

Flooring. Painting. Tiling. Ceilings. Refurbishment.

Sound substrates. Neat junctions. Coordinated service points.

ShriPunya

संकल्प से साकार।

PRE-ENGINEERED BUILDINGS

Industrial spaces. Planned as a system.

Sheds, warehouses and factory buildings. Foundations, anchor bolts, structural steel, roofing, cladding and industrial floors in a coordinated package.

ShriPunya

संकल्प से साकार।

STEEL STRUCTURE ERECTION

Precision at every connection.

Civil accuracy, base alignment and lift coordination. Foundations and interfaces planned with qualified steel-system and erection specialists.

ShriPunya

संकल्प से साकार।

INDUSTRY + LOGISTICS

Built to keep work moving.

Foundations and plinths. Warehouse floors and loading areas. Drainage, circulation and plant-support facilities for operational sites.

ShriPunya

संकल्प से साकार।

EXTERNAL INFRASTRUCTURE

Small packages. Essential infrastructure.

Roadside markers and barriers, boundary works, paving, drainage and ancillary buildings. Clear scope. Measurable work. Focused execution.

ShriPunya

संकल्प से साकार।

EQUIPMENT / EARTHMOVING

Excavators

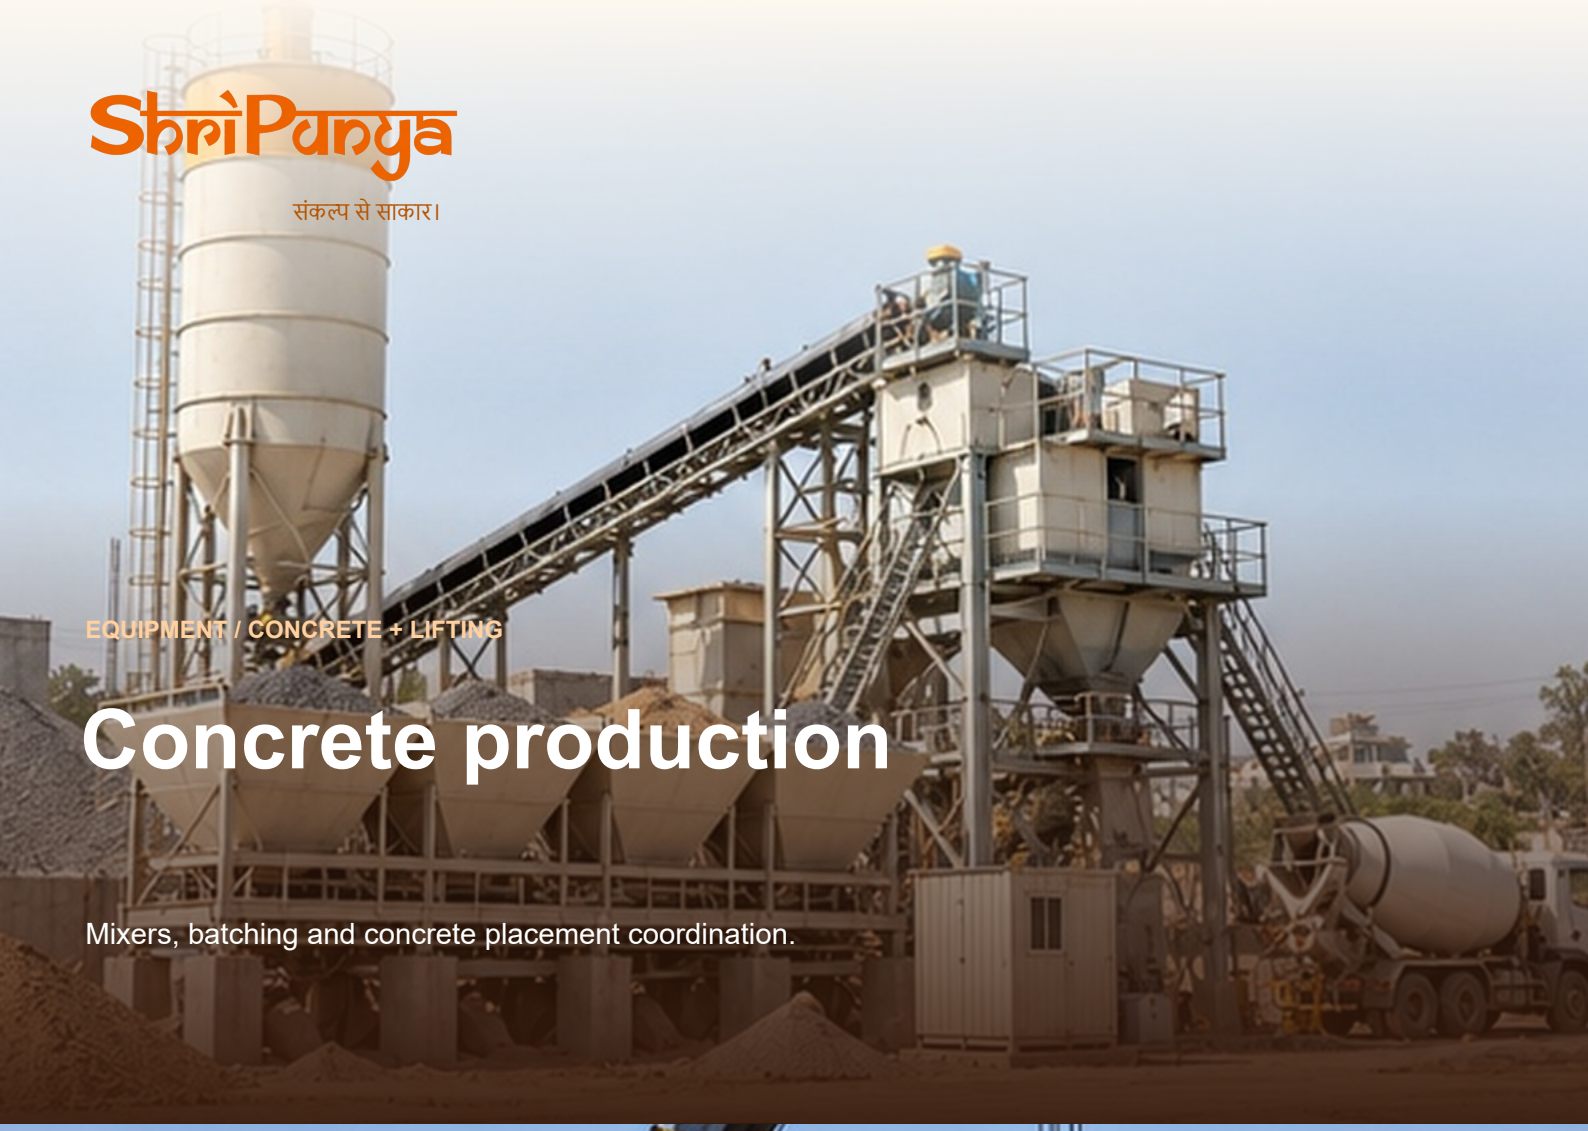

Site preparation, excavation and bulk earthwork packages.

Backhoe loaders

Utility trenches, local excavation and material movement.

ShriPunya

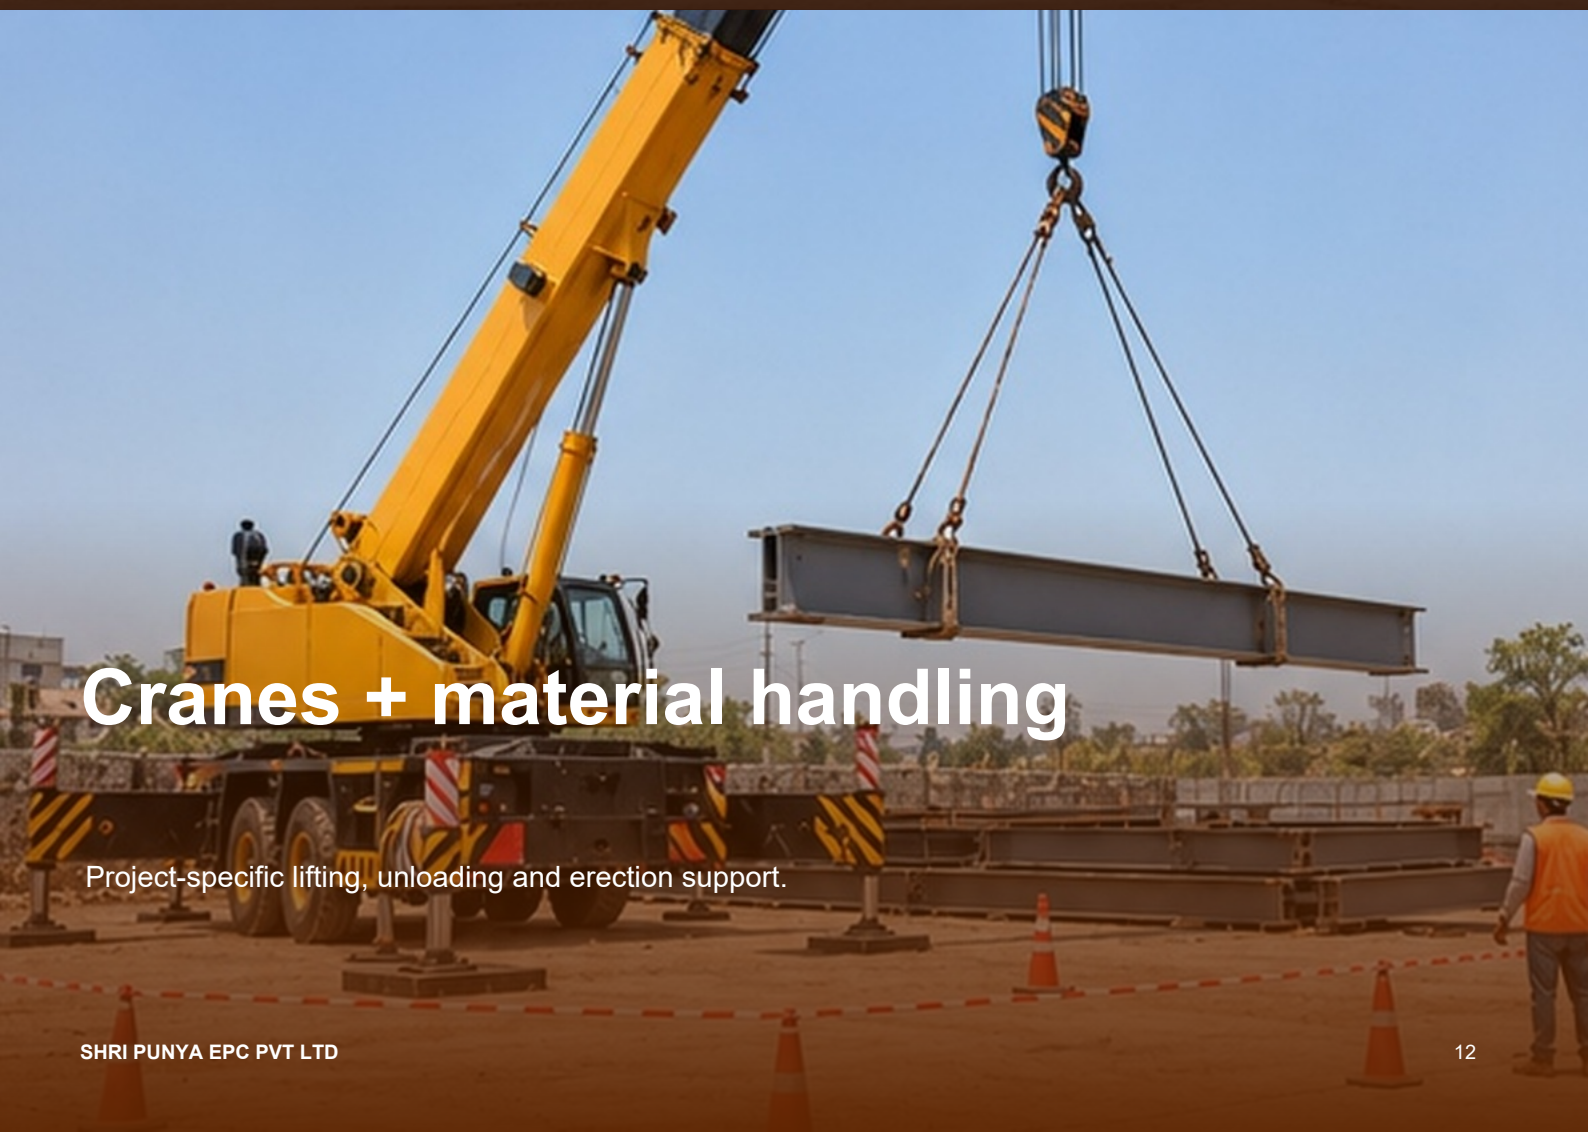

संकल्प से साकार।

EQUIPMENT / CONCRETE + LIFTING

Concrete production

Mixers, batching and concrete placement coordination.

Cranes + material handling

Project-specific lifting, unloading and erection support.

ShriPunya

संकल्प से साकार।

EQUIPMENT / HYDRAULIC + TRENCHLESS

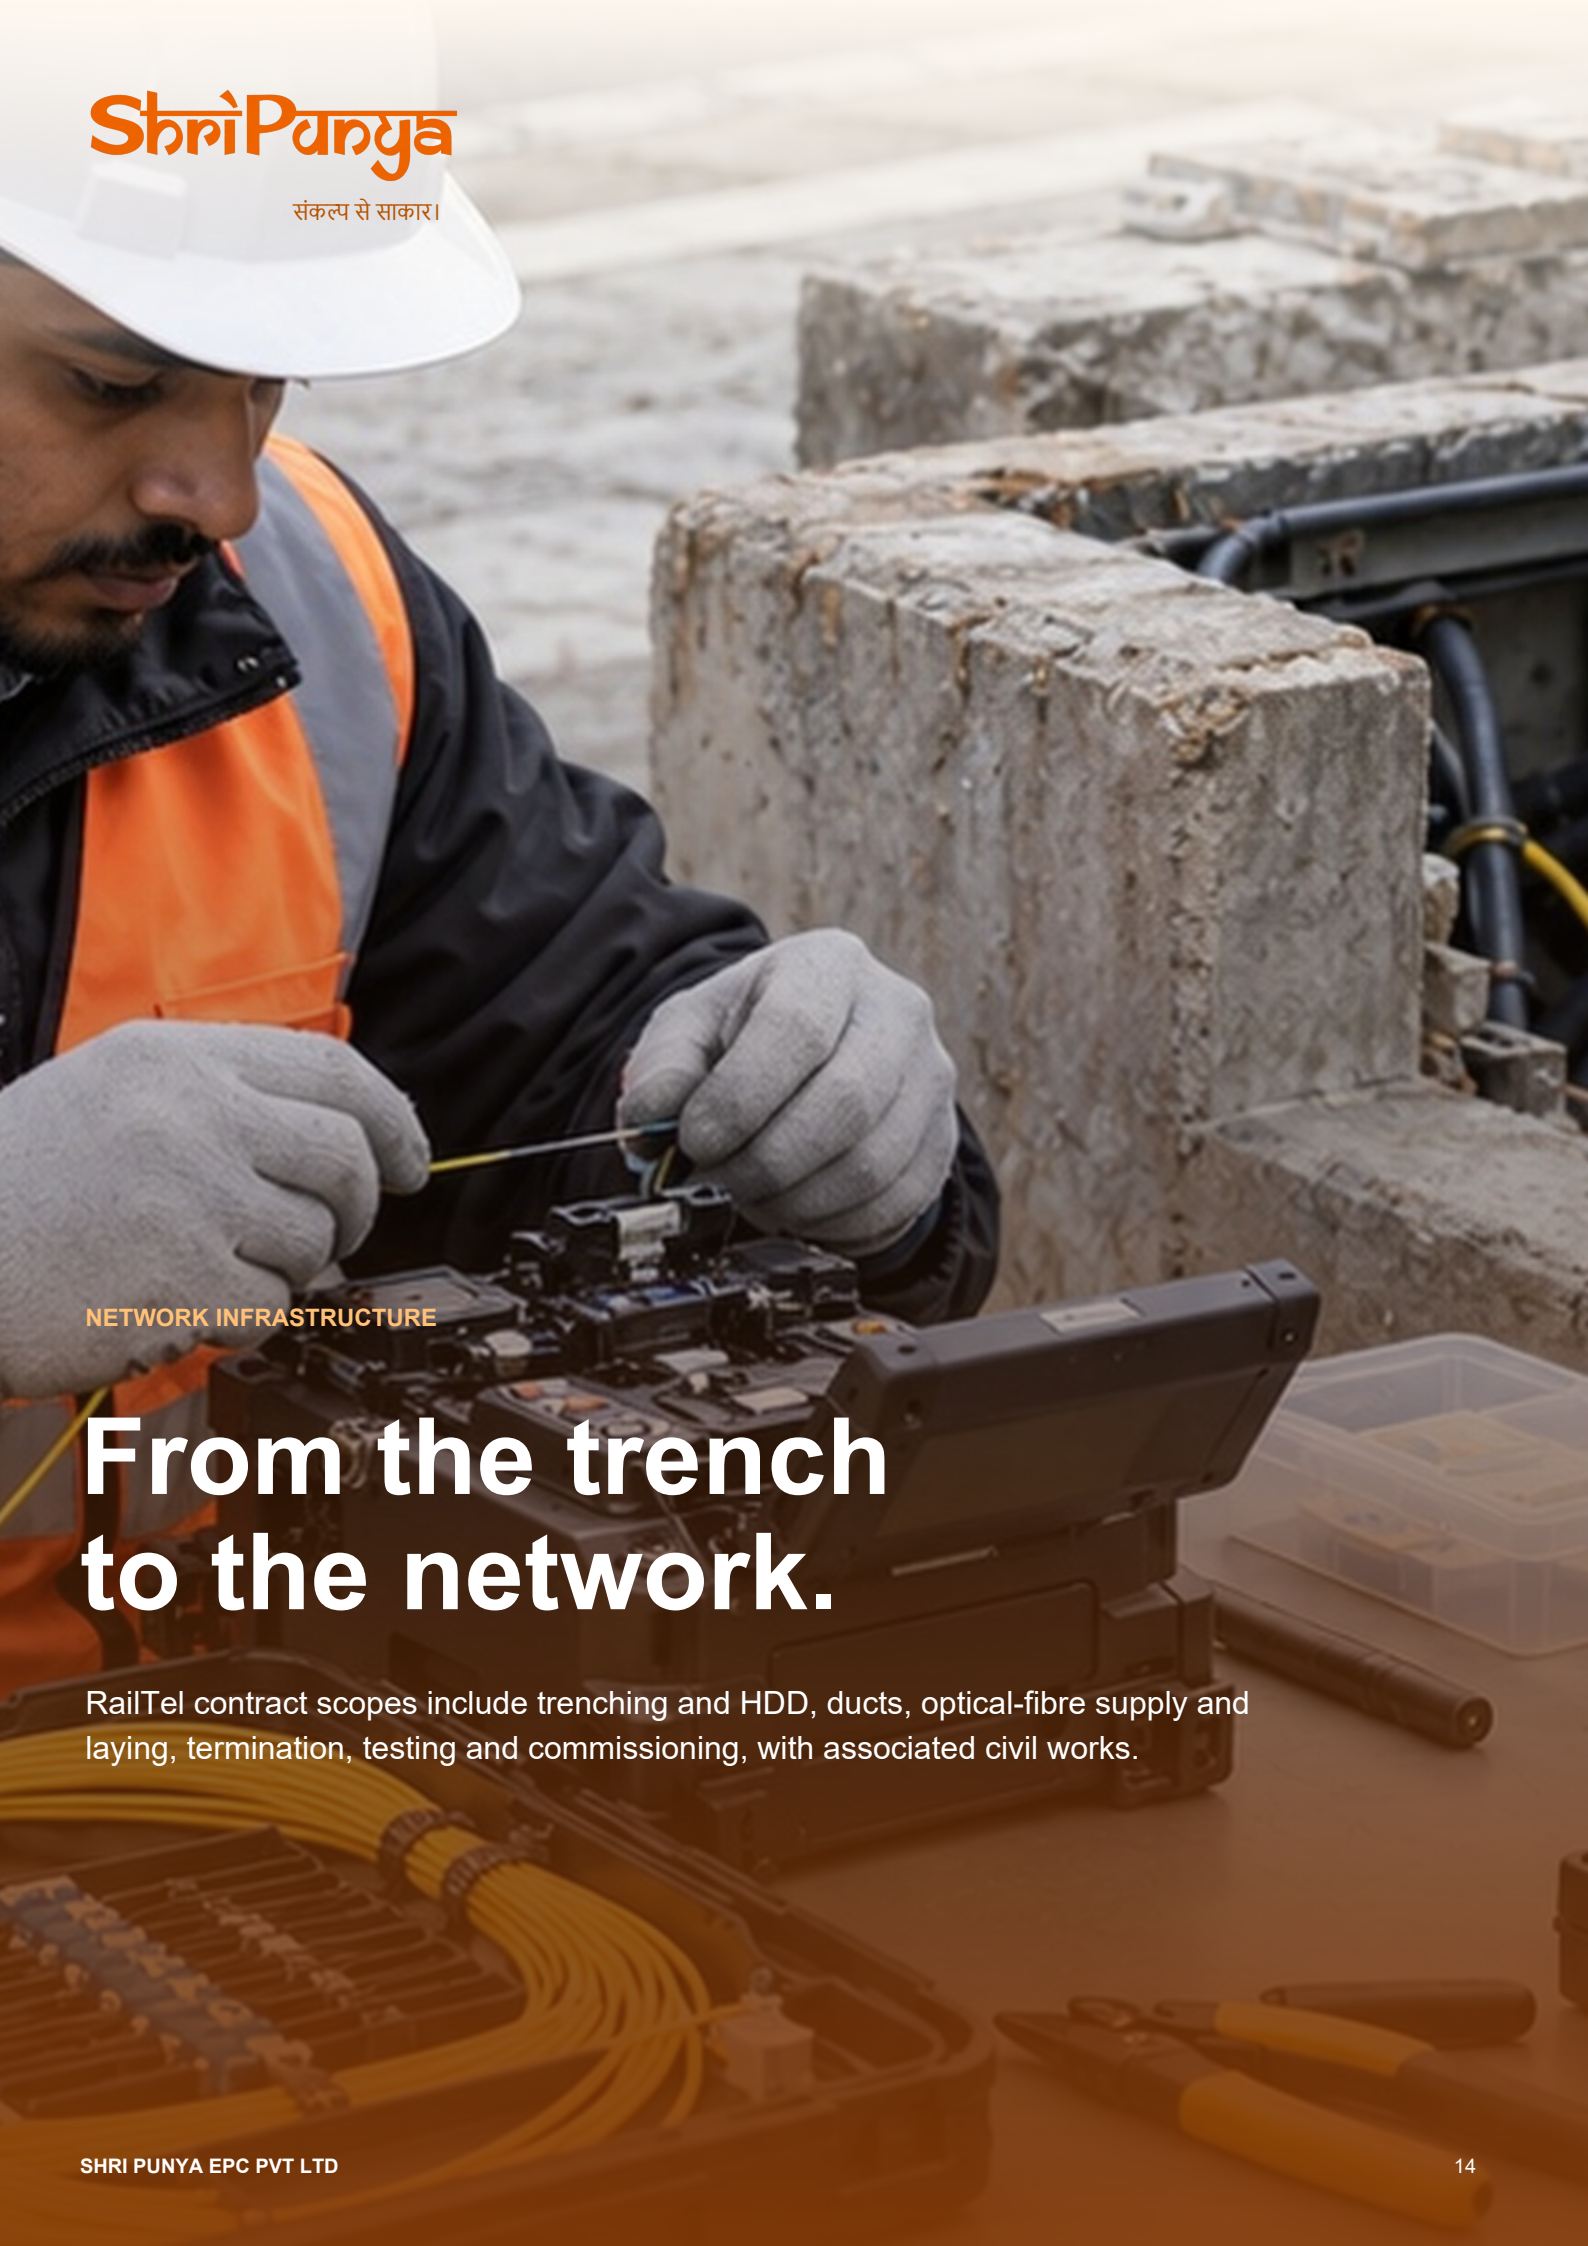

Hydraulic equipment

Rock-breaking and enabling works for defined site conditions.

Horizontal Directional Drilling (HDD)

Trenchless duct installation for underground network packages.

NETWORK INFRASTRUCTURE

From the trench to the network.

RailTel contract scopes include trenching and HDD, ducts, optical-fibre supply and laying, termination, testing and commissioning, with associated civil works.

ShriPunya

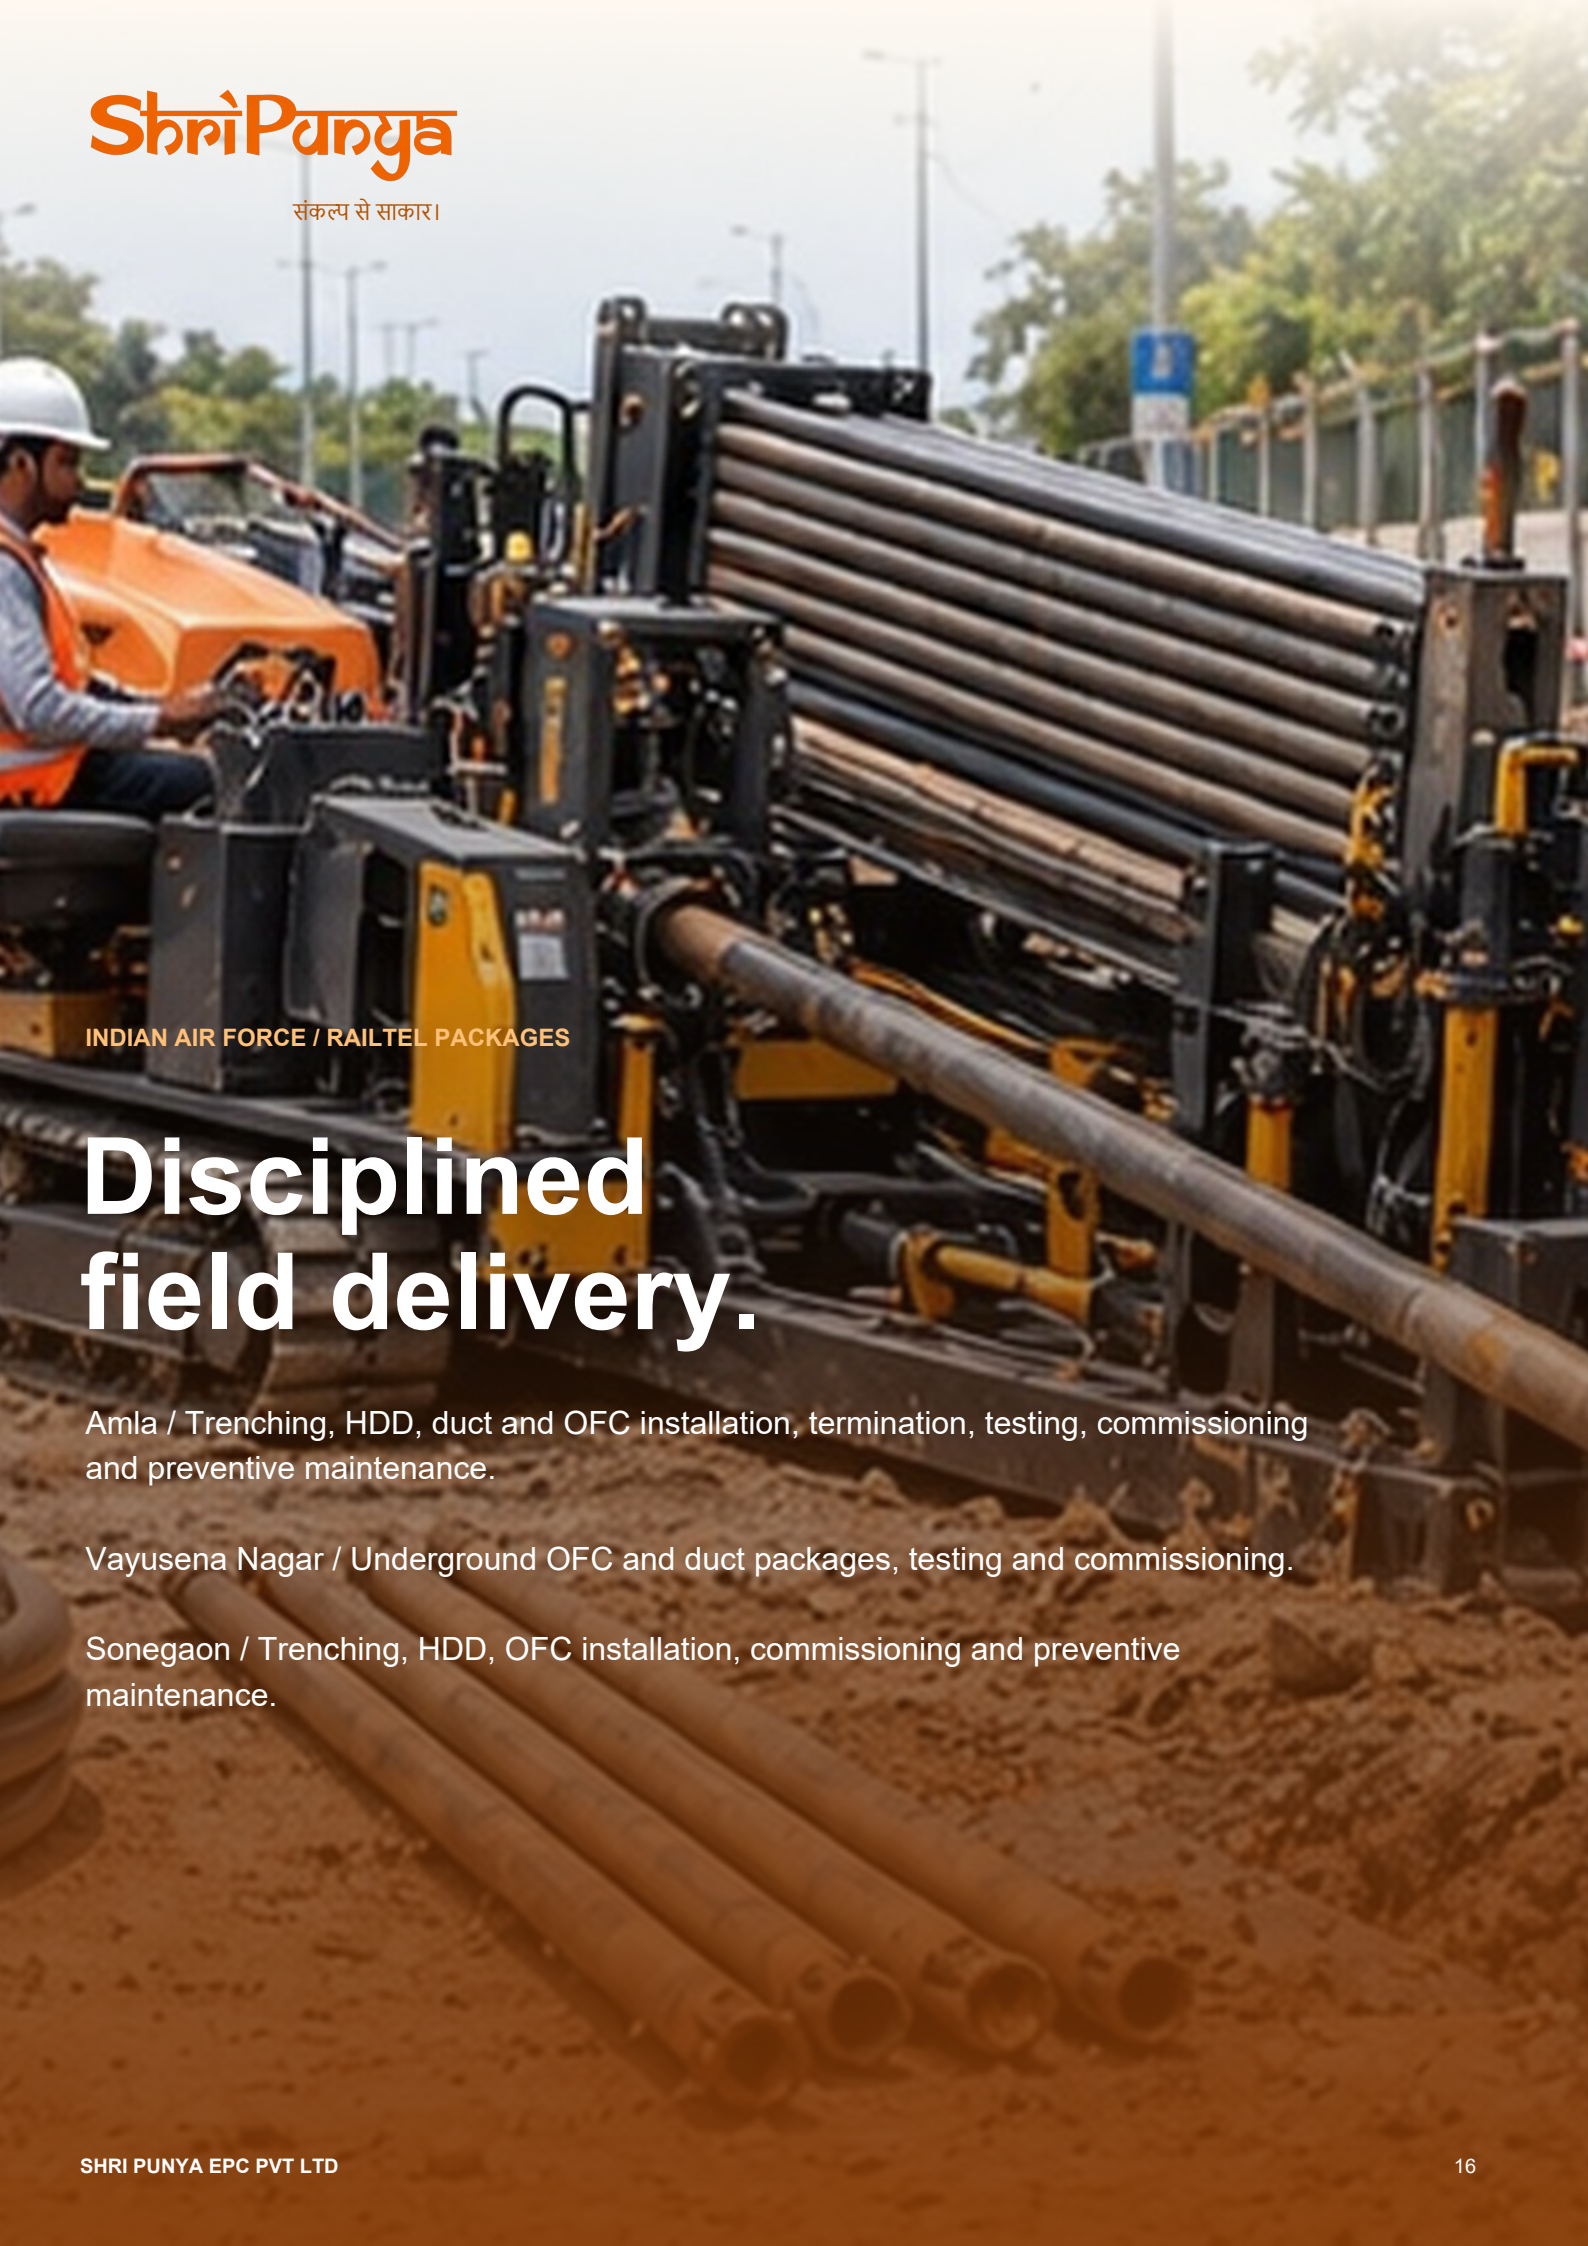

संकल्प से साकार।

NAGPUR SMART CITY / NSSCDCL

Restoring connected city infrastructure.

RailTel orders cover network restoration in Nagpur: trenching, ducting, OFC, power and data cabling, concrete chambers and reinstatement of surveillance equipment and poles. Related material-supply packages support the same programme.

ShriPunya

संकल्प से साकार।

INDIAN AIR FORCE / RAILTEL PACKAGES

Disciplined field delivery.

Amla / Trenching, HDD, duct and OFC installation, termination, testing, commissioning and preventive maintenance.

Vayusena Nagar / Underground OFC and duct packages, testing and commissioning.

Sonegaon / Trenching, HDD, OFC installation, commissioning and preventive maintenance.

CLIENTS & PROJECT ASSOCIATIONS

Connected by the work.

RailTel

Optical-fibre and civil infrastructure packages.

NSSCDCL / Nagpur Smart City

Network restoration, field reinstatement and material supply.

Indian Air Force

Underground OFC packages at Amla, Vayusena Nagar and Sonegaon.

NSSCDCL and Air Force packages through RailTel. Organisation marks identify project associations; no endorsement is implied.

TURNKEY EXECUTION

One scope. Connected decisions.

Review. Brief, site conditions, drawings and BOQ.
Plan. Sequence, interfaces and resources.
Mobilise. Materials, manpower and site setup.
Build. Supervision across work fronts.
Check. Inspections, records and snag closure.
Hand over. Agreed documents and acceptance.

WORK WITH SHRI PUNYA

A clear brief.
A buildable proposal.

Direct contracts. BOQ packages. Subcontracts. Turnkey enquiries.

Share the location, drawings, quantities, specification and timeline. We define the work package, interfaces and commercial basis.

ShriPunya

संकल्प से साकार।

LET US BUILD WHAT COMES NEXT.

Your vision.
Our commitment.

Sankalp to Build.
Commitment to Deliver.
